Volume 4, Fall 2014

## ANNA'S MEAL

Anna's meal was a beautiful event at Lutherlyn this fall. On September 3, Schmieder Hall welcomed almost 200 diners, friends, and family of Anna Schroeder for a special dinner to celebrate Anna and to support the Lutherlyn generator project. The dinner added close to \$3000.00 to the fund. The property committee is now planning the purchase and installation of a generator for Schmieder Hall. This is an addition to Lutherlyn that is very welcome! Thank you to the Schroeder family and all the energetic volunteers who contributed to the success of Anna's meal. Her light will continue to shine!
