

CAMP LUTHERLYN Campership-Children's Camp

Don't let Finances keep You Away!

Camp Lutherlyn is committed to ensuring that financial circumstances do not prevent families from sending their children to camp.

It has always been our policy to keep prices as affordable as possible. Nevertheless, for some those fees sometimes are out of reach. For that reason, generous individuals and churches contribute to a special Campership Fund.

Who is Eligible?

Everyone who feels that the cost of camp would keep them from sending their child to a camp experience is open to apply. If you have received a campership from a church or outside agency, please disclose that on the application form.

How much can I expect to receive in Campership funding?

Camperships are determined by family need and availability of funds. The campership may be up to 50% of the cost of the camp (See "The Fine Print")

How to apply?

The process is very simple:

1. Fill out the Campership Application Form
2. Attach completed campership application to a camp registration form and send with the \$50 deposit. (Please note, neither application will be processed until all are received)
3. Send the completed application package to Camp Lutherlyn Campership (Mail or Email).

Then What?

After we receive the application, the campership application will be processed with the registration. Applicants will be notified by the camp office upon the approval of their application, by May 15 2022. Confidentiality is ensured.

The Fine Print: Camp Lutherlyn and its staff reserve the right to approve or deny campership requests at their discretion. Camp Lutherlyn reserves the right to attach conditions to, modify or discontinue this program as necessary. Awarded campership will be credited toward the registration fee. A Campership cannot be combined with a multiweek discount. ** Please note that Camp Lutherlyn cannot guarantee a Campership, or any specific amount of funding. We reserve the right to limit Camperships to one per child per camp season.*
