TRIP Grant

In 2021, we received \$20,000 from the Tourism Relief and Initiative Program (TRIP). We used these funds to improve the property at Bancroft Beach and the Four Seasons Lodge. In 2022, we received another \$54,000 from TRIP and allocated the funds from our 100 x 100 in 100 campaign and the Provincial Recovery Program to invest a total of \$75,000 in the Hoffman Beach project. We needed an additional \$13,000 to complete the project which was allocated by the Board from 2022 revenues. The total project cost was \$88,000 and includes a washroom and shower facility, 10 camp sites and the newly renovated Shepherds Staff Cabin which has now been relocated to Hoffman Beach.

Key Projects!

Hoffman Beach Redevelopment (funded in part by federal TRIP Grant): the Shepherd's Staff Cabin is in its new waterfront location at Hoffman Beach. Renovations will result in a cabin with 3 bedrooms, a washroom and kitchen. Email us at lutherlyncamp.ca@gmail.com if you are interested in a summer rental.

A 2 bathroom **comfort station (being built by Algonquin College students)** will be ready in time to support our **10 tent/ tent trailer sites** at Hoffman Beach this summer.

Schmieder Hall new concrete walkway (funded by SYNOD Capital Fund): The ground around the washrooms and kitchen of Schmieder Hall was re-graded to have the ground slope away from the building and a new concrete slab was poured around three sides of the building. This work directs rainwater away from the building and provides a level walkway for campers and staff.
